Circular Letter No. 125.
April 4, 1914.

To Supervising Principals.

Gentlemen:-

Please send in at once the names of the Spanish graded teachers in your district whom you recommend for the English graded license. In this list include only those who by their proficiency in English and their general excellence as teachers are, in your judgment, entitled to this examination at this time. Most of the candidates for this grade of license have already been examined by one or more of the General Superintendents, but it is our desire to give all candidates at least one more trial, if possible, before the close of the present school year.

We would suggest that you urge upon those who desire to take this examination, but who are not in your judment qualified for it, that they araange to attend the Institute to be held at the Insular Normal School, Río Piedras, during the coming summer, where practice classes will be maintained and an examination for the English graded license held at the close.

Yours very truly,

E. M. BAINTER

Commissioner of Education.
